Sponsorship Opportunities

Dear Friend,

Strawberry Fields stands as one of our community's quiet strengths. For more than fifty years, the organization has shown up with skill and heart to help people live with dignity, belonging, and real opportunity.

Enclosed are the sponsorship levels for this year's Summer Garden Party on Saturday, May 30, 2026. Sponsoring is a meaningful way to support Strawberry Fields and to stand behind the people and families who depend on its programs.

As a sponsor, you'll do more than attend a wonderful evening, you'll help power the programs that make this mission real. You'll also be able to invite guests to join you, share the experience, and see firsthand what your support makes possible.

We hope you'll join us. *Your support truly matters.*

With gratitude,

Bruce & Susan
